SOUTH CAROLINA  
DOCKET NO. 2003-352-E - ORDER NO. 2004-256  
MAY 14, 2004

IN RE: Application of South Carolina Electric & Gas    ) ORDER  
Company for Approval of an Electric Service    ) APPROVING  
Contract with Nevamar Company, LLC.        ) CONTRACT

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Electric & Gas Company (SCE&G or the Company) for approval of a contract for electric service between the Company and Nevamar Company, LLC (Nevamar). The contract governs the Company's provision of electrical service to Nevamar's manufacturing plant in Hampton, South Carolina. The Nevamar plant will manufacture decorative lument surfaces. The Company submits this contract for approval pursuant to S.C. Code Regs 103-303, which requires the Commission to approve contracts involving rates differing from approved tariffs.

A copy of the original contract between the Company and Nevamar was provided to the Commission, which will be retained under seal. Both the Company and Nevamar requested confidential treatment of the contract due to the proprietary nature of certain provisions of the contract as well as the competitive nature of Nevamar's industry.

We have examined this contract, find that it is fair and reasonable to both parties, and hereby approve it as filed. As a condition of approval of this contract, the Commission further Orders the Company to track and maintain records related to

foregone revenues resulting from the rates provided under this contract as any foregone revenues may become relevant in any future rate proceedings brought by the Company before this Commission.

This Order shall remain in full force and effect until further Order of the Commission.
